Jurisprudence

criminal justice system, 656

mental retardation

child custody, 654

civil commitment, 653

conservatorship, 654

SUBJECT INDEX *continued*

Jurisprudence (*continued*)

- domestic relations, 654
- guardianship, 654
- rights of committed persons, 653
- rights to education and training, 655
- sexual psychopathy procedures, 657

Letters to the Editor (*titles*)

- Balancing the Record, 690
- Hazards of Femaleness, 630
- Poverty, Virtue, and Heresy, 403
- Rocking the Boat, 403
- The Technology of Caring, 68
- Longitudinal care, 260

Malignant mesothelioma

- asbestos and
- diagnosis, 353
- effects of exposure, 352
- treatment, 354

Marathon running, 693

- Meclofenamate, 278
- Medicare and Medicaid, 399

Menopause

- estrogen replacement therapy, 369
- follow-up, 370
- symptoms, 362

Mental retardation, jurisprudence of, 653

- Mitral valve prolapse, association with premature ventricular contractions, 221

Myocardial contraction, mechanism of, 95

- Myocardial infarction
- conventional treatment, 559
- diagnosis, 558
- hemodynamic changes, 559
- interventional approach, 561
- pathophysiology, 557

New family medicine, 340

- Nonsteroidal anti-inflammatory drugs, 276

Office-based

- dilatation and curettage, 13

Osteoarthritis

- management in middle-aged athlete
- incidence, 287
- treatment, 288

Pain

face and head

- autoimmune causes, 488
- idiopathic causes, 488
- inflammatory processes, 480
- metabolic causes, 482
- neoplasms, 482
- trauma, 488

pelvic, acute

- algorithmic approach, 567
- differential diagnosis, 567
- non-pregnancy associated, 569
- pregnancy-associated, 568

shoulder, arm, neck

- cervical spine disorders, 846
- shoulder disorders, 847

Parasites

childhood infestation

- Ascaris lumbricoides*, 207
- Entamoeba histolytica*, 210
- Enterobius vermicularis* (pinworm), 208
- Giardia lamblia*, 201
- Necator americanus* (hookworm), 209
- Strongyloides stercoralis* (threadworm), 209
- Toxocara canis*, 213
- Trichinella spiralis*, 210
- Trichuris trichiura* (whipworm), 208

Patient compliance

- determinants, 627
- interventions, 725
- magnitude, 621
- prevention, 735

Patient education, effect on treatment of urinary tract infection, 115

Pelvic inflammatory disease

- contraceptive practices in, 720
- diagnosis, 136
- treatment
- medical, 137
- surgical, 137

Physician-patient communication, 126, 824

Pirbuterol, *See* Inotropic drugs

Piroxicam, 283

Postherpetic neuralgia, 119

Pregnancy

- acute pelvic pain and, 568

see also Tuberculosis, pregnancy and

- Premature ventricular contractions, in a patient with mitral valve prolapse, 221

Prenalterol, *See* Inotropic drugs

Prolactinomas

- differential diagnosis, 700
- follow-up, 704
- hyperprolactinemia, 700
- presentation, 699
- treatment, 703

Prostaglandins, *See* Inotropic drugs

Prostate cancer

- clinical stages, 436
- diagnosis, 436
- presentation, 436
- treatment, 438

Prosthetic heart valves

- anticoagulation, 856
- complications, 863
- dysfunction, 863
- endocarditis prophylaxis, 856
- laboratory investigation, 864
- management, 864
- types, 857

Psychotherapy

- consultation and referral
- choice, 516
- hospitalization, 515
- nature of problem, 513
- need for treatment, 514
- integrated care, 521
- structure of therapy, 516
- theoretic orientation, 520
- type of therapist, 519

Pulmonary lymphangiomatosis, *See*

- Chronic obstructive pulmonary disease

Quotable Notes from Notable Clinicians (*titles*)

- Challenges in Diabetes Care: Where Are We Now?, 305
- Herpes Zoster, 119
- Postherpetic Neuralgia, 119

Radio-frequency currents
